VOTE TABLED – NO QUORUM

Public Hearing:

- Propose New Local Law for Alarms

Offered by Council Member Bogins and seconded by Council Member Murphy.

Supervisor Watts – Absent, Council Member Bogins – Aye, Council Member Cords – Absent, Council Member Flaherty – Aye, Council Member Murphy – Aye. Motion Carried.

- Opened @ 7:02PM

- The reason the Town is looking into this local law is because the Town has a lot of false alarms recently and it takes a lot of money for people to go out to a call and sometimes it can take away from when there are actually emergencies going on. They are looking into charging for false alarms. Refer to the link below for the law and charges:

- A woman stated that she worked as an assistant for a business and right off the bat if there was a false alarm, which happened a lot, it was 100 dollar charge right away.
- This was happening to a building in Town recently while people were staying within the building, the alarm in the kitchen kept going off about 3 or 4 times throughout the day and there was no fire. The alarm then continued to go off for the next week or two. The fire department called code enforcement to see what needs to be done.
- The first call would be no charge and the owner could look and see if anything needs to be done with the fire alarm, if it needs batteries or shorted out then the owner can get it looked at so it doesn't happen again.
- The law and information will be posted on the Town page and Facebook page so residents are aware that this is happening.
- Tickets will be given out when necessary and fees will be paid at the Town Clerks Office. The Town will also address if the fine is not paid in a timely manner.

Offered by Council Member Flaherty and seconded by Council Member Murphy.

Supervisor Watts – Absent, Council Member Bogins – Aye, Council Member Cords – Absent, Council Member Flaherty – Aye, Council Member Murphy – Aye. Motion Carried.

- Closed @ 7:08PM

New Business:

- Open Bids for the Sidewalk Repairs
 - No Bids were received by the Town Clerks Office. Money was allotted for this project and grants can be applied for depending on the price of the project when the time comes.
 - The Highway and Parks Department are fixing part of the sidewalk in the meantime so that people are not tripping or hurting themselves.
- Grant Writer Updates
 - *Resolution No. 2025-230*
 - Technical Assistance to Grow Pro Housing Communities (TAG-PHC)
 - Eligible Activities
 - A technical assistance project must identify a scope of work that will be competitively awarded to an architect, engineering, urban planning, or other qualified firm that supports growth and development activity. Technical Assistance projects may include non-capital pre-development or planning expenses necessary to evaluate potential future housing or mixed-use development projects, implementation of technological and organizational improvements, and other project needs that are necessary and critical for efficiency and execution of housing growth within the applying municipality.
 - Examples of eligible activities may include but are not limited to:
 - Zoning Analysis Reports and Recommendations to Increase Housing Capacity
 - Streamlining and Accelerating Building Permitting Services
 - Evaluation of Publicly Owned Properties for Development
 - RFP Preparation for Development of Locally Owned Site(s)
 - Market Studies
 - Housing Needs Assessments
 - Traffic or Other Impact Studies of Proposed Housing Projects
